GAYI KOMI SELASSI

Biostatistician | Clinical Data Analyst | Research Data Specialist

gayikomiselassi@gmail.com | +228 99850330 / +91 805 676 9127 | Lomé, Togo (open to relocation) | Nationality: Togolese
LinkedIn: komi-selassi-gayi-404753184 | GitHub: github.com/jack-junior | Portfolio

PROFESSIONAL SUMMARY

Biostatistician with an MSc in Biostatistics and Epidemiology and hands-on experience in clinical trial data management, biostatistical analysis, and data quality control gained at a WHO Collaborating Centre supporting cardiovascular and public health clinical studies. GCP-certified, with proficiency in SAS, R, Python, and REDCap, and a research background spanning survival analysis, longitudinal modeling, and missing-data methods applied to advanced cancer trial data. Experienced in building reproducible analytical pipelines and interactive R Shiny dashboards for data quality monitoring and reporting.

SKILLS

- **Statistical & Clinical Trial Methods:** Clinical Trial Data Analysis & Management, Longitudinal Data Analysis, Survival Analysis, Generalized Linear Models (GLM), Missing Data Methods
- **Programming & Data Tools:** SAS, R & R Shiny, Python, Stata, REDCap, GitHub, Quarto
- **Regulatory & Quality:** Good Clinical Practice (GCP), ISO 15189 Quality Standards, Data Quality Control
- **Epidemiology & Study Design:** RCT, Cohort, Case-Control, Implementation Research, Bias & Confounding Assessment
- **Digital Health & Research Analytics:** Wearable Data Analytics, Dashboard Development, Workflow Automation
- **Professional Competencies:** Scientific Writing, Research Reporting, Interdisciplinary Collaboration, Analytical Problem-Solving

PROFESSIONAL EXPERIENCE

Research Data Management & Biostatistics Intern **Jan 2026 – May 2026**
Centre for Chronic Disease Control (CCDC) – New Delhi, India · WHO Collaborating Centre

- Developed reproducible analytical workflows in Stata, R, and Python to support clinical trials, observational studies, and implementation research projects.
- Performed clinical data management activities including data cleaning, validation, quality control, and longitudinal dataset preparation for cardiovascular and public health research.
- Built interactive R Shiny dashboards and automated reporting systems for data quality monitoring, operational reporting, and research data visualization.
- Developed wearable data processing solutions for Apple Watch, GENEActiv, and ABPM datasets, including automated extraction, transformation, and reporting workflows.
- Contributed to research data infrastructure through workflow automation, technical documentation, and collaboration with multidisciplinary research teams.

Senior Laboratory Technician & Quality Manager **Jun 2019 – Dec 2023**
Bè-Kpota Hospital Laboratory – Lomé, Togo

- Supervised Quality Management Systems (ISO 15189) and ensured laboratory compliance.
- Managed clinical data generation and diagnostic procedures (Hematology, Biochemistry, Microbiology).

EDUCATION

M.Sc. in Biostatistics and Epidemiology **2024 – 2026**
School of Public Health, SRM Institute of Science and Technology – Chennai, India

- **Master's Thesis:** Modeling Functional Attrition Trajectories and Evaluating the Impact of Missing Outcome Data Handling on Quality-of-Life Predictive Performance in Advanced Cancer Trials
- **Publication:** First-author manuscript under review at BMC Medical Research Methodology (Preprint DOI: 10.21203/rs.3.rs-8407124/v1)

B.Sc. in Medical and Biological Laboratory Sciences **2015 – 2018**

ESTBA, University of Lomé – Lomé, Togo

- Grade: Graduated with Honors (14.70/20).
- Core Focus: Clinical Diagnostics, Hematology, Biochemistry, Microbiology.

PUBLICATIONS & RESEARCH

First Author:

- Gayi S.K., et al. Functional Attrition and Quality of Life in Advanced Cancer Trials: Modeling Patient Trajectories and Evaluating the Impact of Missing Outcome Data Handling. Under review, BMC Medical Research Methodology. Preprint DOI: 10.21203/rs.3.rs-8407124/v1.
- Gayi S.K., et al. Beyond Economic Determinism: Epidemic Scale, Gender Disparities, and Population-Level Health System Outcomes in the Global HIV Response (2024). Under review, BMC Public Health. Preprint DOI: 10.21203/rs.3.rs-8841074/v1.

Co-author Publications:

- Tugbeh RS, Gayi SK, et al. Geographic Variation of Malaria Transmission and Burden Among Children Under Five Across Coastal and Inland Counties of Liberia. Malaria Journal, 2026. DOI: 10.1186/s12936-026-05784-5.
- Kandjoni Y, Gayi SK, et al. Socioeconomic and Geographic Drivers of Pediatric Immunisation Disparities Between High-Performing and Underperforming Indian States. BMC Pediatrics, 2026. DOI: 10.1186/s12887-026-06822-6.
- Assogba AS, Gayi SK, et al. Dynamic Landmark-Based Prediction of Sepsis Using Interpretable and Balanced Machine Learning Models in Respiratory-Supported Critically Ill Patients. Preprint DOI: 10.21203/rs.3.rs-8737800/v1.
- Kandjoni Y, Gayi SK, et al. The Interplay of Digital Access and Socioeconomic Inequality in Maternal Health Service Utilization in Togo. Preprint DOI: 10.21203/rs.3.rs-8635479/v1.
- Tchakondo S, Gayi SK, et al. Socio-demographic and Contextual Drivers of Insecticide-Treated Net Utilization Among Women of Reproductive Age in Togo. Preprint DOI: 10.21203/rs.3.rs-8849056/v1.

PROJECTS

EpiStatHub | Web Application (epistahub.web.app)

- Developing a platform centralizing epidemiology resources, biostatistical workflows, and methodological guidance for students and researchers.
- Technologies: React.js, Firebase, HTML/CSS.

AWARDS & CERTIFICATIONS

- **Good Clinical Practice (GCP), NIDA Clinical Trials Network — Sep 2025.** Certified in international ethical and scientific quality standards for designing and conducting clinical trials.
- **1st Prize – Best Research Paper Presentation on HIV/AIDS and Inequality,** ICSSR-Sponsored International Conference, School of Public Health, SRM IST — Jan 2025.
- **National Excellence Scholarship, Government of Togo (DBS) — Dec 2023.** Merit-based scholarship for high-achieving students pursuing international graduate studies.

LANGUAGES

- French: Native-level proficiency (official national language & medium of instruction up to B.Sc.).
- English: Full professional proficiency (medium of instruction for M.Sc.).
